Rotzollen History

From: "H.-Christian Bethge" <bethge8@@debitel.net>

The information on the Rotzoll - Remus connection I found in an article about the family history of the Rotzoll in Rotzollen. This article was published by A. Treichel in the magazine of the Historische Vereinigung von Marienwerder in 1889, Vol. 24, pages 21-26.

This article had as well the information that Franz Remus was the owner of a Schulzengut in Stegers, before he became a leaseholder of the domain in Stretzin.

Anna Margarethe Rotzoll sold the estate of Rotzollen in 1819, but her grandson bought it back in 1828 and sold it in 1853 to Neubauer. Since she died in 1823, the place of death (that was not mentioned) may be Lottin.

Best wishes
Christian
